Kubota BV4580

Kubota proudly presents the new BV4580 - the latest addition to the highly competitive range of Kubota round balers. Producing high quality 5'x6' bales, the BV4580 has the capacity to satisfy the most demanding requirements.

Focus 3 Terminal

New Focus 3 terminal with color display featuring:

- Bale diameter setting
- Auto net binding
- Auto twine binding
- Manual or auto binding mode
- Bale counters:
 - 1 x daily and 1 x total count
- Optional proportional valve with 'Intelligent-Density' function

Full width rotary feeding system with huge intake capacity and gentle crop handling.

Clean raking 86" wide pick-up with twin cam tracks, 5 tine bars and roller crop press.

Patented front mounted PowerBind net system with low loading height and super-fast cycle time. Twin tube twine tie system also available.

Durable MRT profile belts with heavy duty MATO lacings. Fully adjustable hydraulic density control (Optional proportional electric control).

Standard fit hydraulic pick-up lift for reduced downtime between jobs and added in field convenience.

Three way driving indication showing bale shape and driving direction for perfect bale formation in all windrows.

Kubota Tractor Corporation reserves the right to change the stated specifications without notice. This brochure is for descriptive purposes only and reasonable efforts were used to set forth the contained information; some items shown may be optional and some products shown may not be available at all dealerships. Kubota disclaims all representations and warranties, express or implied, or any liability from the use of this brochure. For complete warranty, safety and product information, consult your local Kubota dealer and the operator's manual. Power (HP/KW) and other specifications are based on various standards or recommended practices. For your safety, Kubota strongly recommends the use of a Rollover Protective Structure (ROPS) and seat belt in almost all applications. This brochure is intended for the United States and US territories only. For information regarding Kubota products or services outside this areas, see Kubota Corporation's global web site. Kubota does not provide parts, warranty or service for any Product which is re-sold or retailed in any country other than the country for which the Product(s) were designed or manufactured.
