

Kubota®

2021 FULL LINE TURF BROCHURE

You know that feeling of accomplishment after a long day of working the land?

Whether it's turning soil, pushing dirt, making hay or mowing grass, that feeling lingers on when you're confident that you have the right equipment for the job, doing its part right along with you, day after day.

It's that confidence that leads to a whole new level of productivity, ultimately helping you achieve your vision.

At Kubota, we have a near 50-year history of providing precisely engineered machines with confidence-backed quality to ensure our customers can do more every day.

We know doing your homework is part of the job because it leads to making informed choices about your equipment and its ability to perform when you need to get the job done.

We know you won't make your buying decision solely based on what you read in this brochure, but it's a good start. Whether you're looking at our complete line of tractors, hay tools, or performance-matched implements, or if construction equipment, consumer lawn and garden equipment, commercial turf products or utility vehicles are what you're after, check out our full product lines and recent innovations and introductions here.

But don't stop here. Get out there. Visit a Kubota dealer. Best of all, climb in a seat. Only then will you feel confident you made the right choice to do more with Kubota.

Visit KubotaUSA.com/find-a-dealer to learn how we can work together with the right tools to help shape what tomorrow will bring, and keep you doing more the next day... and the day after that... and the day after that...

Together We Do More.

T Series

T2090BR | T2290KW | T2290KWT

Easy to operate, fun to drive, the ALL improved Kubota T Series is durable, and packed with premium features to keep you mowing efficiently and comfortably.

- › Equipped with high power 20- and 21.5-horsepower gasoline engines
- › All models are equipped with hydrostatic transmissions (HST) for precise control
- › High-back seat (with suspension on T2290) provides extra cushioning and support, with dual armrests (optional on T2090) for comfort
- › The thicker and higher-positioned steering wheel reduces fatigue and enhances operator comfort and control
- › Convenient 12V power outlet lets you charge your phone or power accessories like an air compressor
- › Short 14" turning radius allows easy maneuvering around difficult objects
- › Mower height adjusts from 1" to 4" right from the operator's seat with simple dial-cam setting
- › Upgraded fabricated mower deck, along with new tubular-frame structure, improves strength, rigidity, and durability
- › Ductile cast iron front axle is strong and durable, handling all sorts of bumps & shocks
- › Compatible with a full line of performance-matched, quick-attach front implements

GR Series

GR2021G | GR2120

With Kubota's revolutionary Glide Steer, all-wheel drive, plus tight turning, even difficult mowing conditions are now effortless.

- › Your choice of a 3-cylinder, 17-horsepower Kubota diesel engine or a 2-cylinder, 20-horsepower Kohler gasoline engine
- › Glide Steer provides excellent turning maneuverability with front wheels that turn up to 70 degrees while preventing turf damage
- › All-Wheel Drive (AWD) characteristics provide outstanding traction needed for mowing on rolling terrain
- › Versatile HST transmission is controlled by a single foot pedal for a smooth and comfortable ride
- › Shaft-driven mower, transmission, and PTO offer smooth, virtually trouble-free operations
- › Cruise control, full-flat operator platform and a comfortable high-back, adjustable suspension seat increase operator comfort
- › 5" deep, 48" and 54" contoured design mower decks produce professional results every time
- › Equipped with Kubota's Reverse Awareness System (KRA) for additional safety when mowing in reverse
- › Variety of implements available for year-round versatility, including a grass catcher, two-stage snowblower, front blade, and mulching kit

NEW Z200 Series

New Z200 Series

Z231KW | Z231BR | Z231KH | Z251BR | Z251KH

The ultimate residential zero-turn mower — combining style, comfort, and performance.

- › Zero-turn steering for superior machine control and precision mowing
- › A 10-gauge steel, welded mower deck provides professional-level cutting performance for homeowners
- › Storage boxes on either side give you a place for tools, lunch, and anything else
- › Cup holders keep your drinks at hand
- › LED headlights allow you to continue mowing in lowlight conditions and come standard on the KH models and is an option on the KW and BR models
- › Wide-tread tires give you better traction and weight distribution to help protect your lawn
- › The K-Lift (mechanical one-push deck-lift pedal) makes adjusting the cutting height simple
- › Z231KW comes with a 42-inch deck to maneuver in and out of intricate spaces smoothly and with ease
- › KH-models are equipped with full seat suspension
- › The Z200 series is covered by a comprehensive four-year, 300-hour factory warranty

* These Kawasaki engines have been tested in accordance with SAE J1995, verified by TÜV Rheinland Group, and certified by SAE International. The gross power ratings of these engines were determined by using measurements according to SAE J1995 which were witnessed by SAE-approved witnesses from TÜV Rheinland Group. Torque ratings of these engines were not certified, determined by using measurements according to SAE J1995 which were witnessed by SAE-approved witnesses from TÜV Rheinland Group. Torque ratings of these engines were not certified by SAE. Actual power and torque output will vary depending on numerous factors, including, but not limited to, the operating speed of the engine in application, environmental conditions, maintenance, and other variables.

** Power (hp) specifications for individual gasoline engine models are rated pursuant to Society of Automotive Engineers (SAE) J1940 or J2723 based on gross output testing performed in accordance with SAE J1995 without the air cleaner and muffler. Gross engine hp will be higher than actual engine power which is affected by accessories, application, engine speed, ambient operating conditions and other factors. The gross engine horsepower information is for comparison purposes only.

Z400 Series

**NEW Z412KW | Z422KW | Z422KW
Z411KW | Z421KW | Z421KWT**

Designed for the prosumer who seeks professional performance and durability, as well as comfort and convenience.

NEW Z412 and Z422 Features

- › Premium adjustable suspension seat offers thick cushion with high back and a 4" adjustable seat slide that improves comfort and reduces fatigue
- › All deck sizes have 13"x6.5"-6" Front pneumatic tires
- › Powered by the highly acclaimed Kawasaki FS-Series Engines, the Z400 provides the torque you need to power through tall grass and rugged environments
- › Light and smooth steering lever operation with dampers that have three adjustment positions
- › The Z400 is driven by the new Hydro-Gear ZT-3600 transmission, a Kubota exclusive, the most dependable and durable in the product class
- › Simple operation of the mower lift pedal efficiently raises the mower deck
- › Maximum forward travel speed of 10 mph contributes to quickly completing the job at hand
- › The operation panel is conveniently and integrally located on the right fender and features a simple, easy-to-operate design
- › With a generous fuel tank capacity of 6.8 U.S. gallons (25.7 L), the Z400 is able to continue operations for up to six hours
- › Convenient 12V power outlet lets you charge your phone or power accessories like an air compressor
- › The seat features a thick cushion construction and slides a full 6" forward and back, allowing even prolonged operations to be undertaken in maximum comfort (Z411 & Z421)

Z700 Series

Z751KWi | Z781KWi | Z781KWTi
Z724XKW | Z726XKW
Z723KH | Z724KH | Z725KH

Designed for the commercial landscape professional, the Z700 Series offers best in class performance, productivity, comfort and the durability that Kubota is known for.

Z700EFI Model Features

- › Kawasaki FX EFI engines feature a fully integrated electronic governor (E-GOV) and a cutting edge ECU control unit. They deliver outstanding performance without power loss
- › EFI Dial Throttle control, delivers infinite effortless engine control
- › LCD Engine Meter, provides all the information you need to keep your Z700 EFI unit running at optimum efficiency
- › 24" Low Profile tires improve hill side stability
- › 12V Power outlet can charge or power many devices

All Model Features

- › Premium adjustable suspension seat offers a thick cushion with a 19.6" high back and a 6" adjustable seat slide that allows you to find the ideal seating position for maximum comfort
- › New Deck Step indicator provides easier access
- › New Water and Dust Proof safety switches eliminate those failures
- › 6"-deep mower deck and anti-scalp rollers provide fast, clean, superior grass-cutting performance
- › With an 11.2 mph maximum speed, it's Kubota's fastest zero-turn mower
- › Dual Parker® transmission with an integrated pump and motor designed for increased efficiency and simplified maintenance

ZG200 Series

ZG222 | ZG227

The professional-quality performance, exceptional comfort, and outstanding reliability of the ZG200 Series make it the ultimate mowing machine for both professionals and homeowners.

- › Powered by durable 21.1- and 26-horsepower air-cooled Kubota gasoline engines
- › Zero-turn steering for superior navigation
- › Reliable, ultra-smooth, hydrostatic transmission offers superior durability and performance
- › Heavy-duty Pro Commercial Mower Deck features a unique baffling system that improves airflow to discharge grass clippings and an anti-overflow system for professional-looking results
- › Optional mulching system provides a beautiful finish, even in thick grass
- › Foot-operated hydraulic deck-lift system for easy adjustment
- › Spacious platform, comfortable and supportive seating, and an easy-to-reach cup holder for operator comfort
- › Operator-friendly instrument panel puts everything within close reach
- › Convenient mower, HST, and engine access for hassle-free maintenance
- › Foldable ROPS standard

ZG300 Series

ZG327P | ZG327RP

Built for power, durability, and performance, the ZG300 Series features deep mower decks for exceptional cutting performance.

- › ZG300 mowers are available with durable Kubota deck air-cooled gasoline engines with 26 gross horsepower
- › Durable HST transmission optimizes performance to achieve maximum results
- › Pro commercial deck is a superior deep mower deck that ensures excellent cutting performance
- › Anti-scalp swivel rollers can rotate a full 360 degrees preventing unsightly turf damage
- › Large-capacity dual fuel tanks on ZG300 Series models
- › Foot-controlled hydraulic deck lift and PTO wet disc clutch make tough jobs easy
- › Unique maintenance lift system allows easy mower access (optional on ZG300 models)
- › Radiator screen is integrated into hood for better sealing performance and reduced likelihood of grass clippings finding their way into the radiator (diesel models)
- › Tie-down for securing onto flatbed truck or trailer for convenient transportation
- › “Flat-free” front caster tires are standard with ZG300 and enable mowing operation without worrisome flat-tire downtime

ZD1000 Series

ZD1011 | ZD1021

Top to bottom, front to back, and inside and out, Kubota's ZD Series of zero-turn mowers is engineered for quality. Versatile and reliable, the ZD1000 compact mower can handle jobs big and small.

- › The Kubota ProDeck with ACS (Aerodynamic Cutting System™) has smoother airflow and more powerful rotation to ensure more efficient cutting, meaning you can get the job done better and faster
- › Redesigned clean-cut blades have a new shape that improves overall load balance and provides a longer service life
- › Discharge chute has been redesigned with a flexible yet strong material, ensuring a smoother and more uniform discharge of clippings
- › Improved fuel efficiency—up to 22% better
- › Low center of gravity helps improve the weight/balance and provides stability on slopes and uneven ground
- › A two-pedal hydraulic deck-lift system keeps you mowing in spite of obstacles by letting you easily raise and lower the deck with your foot

ZD1000 Series

	ZD1011-48 / ZD1011-54	ZD1021-60
Engine Type	Kubota liquid-cooled, diesel, 3-cylinder

ZD1200 Series

ZD1211 | ZD1211R | ZD1211L | ZD1211RL

With a bigger engine and wider mower deck, the ZD1200 gets the job done with speed and efficiency. These premium mowers incorporate the best of Kubota's advanced technology in every detail and ensure both superior mowing performance and supreme operator comfort.

- › The biggest LCD meter in its class shows all of the key indicators you need to maximize cutting performance and operability
- › For faster operation and better ergonomics, the mower deck controls are on the right side within easy reach of your hand, letting you quickly and easily adjust the cutting height
- › Low-profile tires at the rear improve the stability and traction on turns
- › Redesigned HST levers not only provide more legroom but more settings to choose from, ensuring smoother operation, better zero-turn maneuverability, and greater job efficiency
- › A more comfortable, fully padded and reclining bucket seat means less operator fatigue and greater productivity — with dual adjustable armrests, higher backrest, and lumbar support
- › The optional “Catch All” hopper-style grass catcher holds 11.4 bushels of clippings and can be emptied while the operator remains seated

ZD1200 Series

ZD1500 Series

ZD1511RL | ZD1511LF | ZD1511RFL

The ZD1511 stakes its place at the top of the line of Kubota's industry-leading diesel zero-turn mowers with the electronically controlled Kubota diesel engine and the Aerodynamic Cutting System to significantly enhance cutting performance.

- › The flexible discharge chute ensures superior scattering of clippings
- › Wider, thicker, and more durable blades contribute to optimized air flow
- › Compared to previous model ZD331, the ZD1511 features an enlarged flywheel that is responsible for an increase from 29.1 hp (21.7 kW) to 30.8 hp (23 kW)
- › The hydraulic transmission, a unique Kubota feature, ideally complements the V1505 Kubota diesel engine by transmitting engine power without loss, which contributes to a quick and smooth response
- › The 3.5" (88.9 mm) wide LCD Panel is the trade's largest and most comprehensive for models in this class
- › Two-pedal type hydraulic lift system enables the operator to easily and efficiently raise the mower deck when an obstacle is encountered
- › Operators never need to remove hands from levers to engage the parking brake through use of the conveniently located parking brake pedal
- › Two-pin type maintenance lift makes it simple and easy to efficiently lift the front portion of the mower deck to quickly deal with any situation as it is encountered—including needed maintenance

ZD1500 Series

F Series

F2690E | F2690 | F3990

The F Series sets a new standard for professional front-mount mowers with cleaner emissions and greater power, precision, and efficiency.

- › Kubota diesel engines provide faster, more efficient job performance with high-torque rise that allows you to power through tall or wet grass
- › The F3990 offers the highest-ever horsepower among all Kubota front-mount mowers
- › 6" deep, side-discharge deck design lets tall grass stand up so it can be cut more efficiently with a cleaner appearance
- › Large operator's platform, deluxe high-back seat with four separate adjustments and operator levers, for maximum driving comfort and convenience
- › Hydrostatic power steering reduces operator fatigue and makes it easier to mow around trees and other obstacles
- › EPA compliance with Tier 4 emissions regulations, enhanced combustion efficiency, low vibration and noise levels, and reduced fuel costs

KUBOTA PARTS

Kubota Tractor Corporation (KTC) Parts operations provide customer parts support, parts, and manuals through Kubota's national dealer network. We support our dealers with four large warehouses located strategically throughout the United States and two super warehouses in Japan.

KTC Parts offers a full line of O.E.M. service and maintenance parts designed and engineered to original factory specifications to keep your Kubota equipment operating at peak performance.

KUBOTA ORANGE PROTECTION PROGRAM®

The Kubota Orange Protection Program gives you the opportunity to extend your coverage, without interruption, by one or two years. You can purchase your warranty extension through your Kubota dealer any time before the expiration of the regular Kubota Limited Warranty.¹

BENEFITS AT A GLANCE

- › Comprehensive coverage
- › Protects your investment
- › Provides peace of mind
- › Reliability of genuine Kubota parts
- › Extends both the Basic and applicable Power Train coverage
- › Administered by Kubota Tractor Corporation
- › Sold and serviced by your authorized Kubota Extended Warranty dealer
- › Financing available, if purchased at the same time as your tractor
- › No deductibles
- › Fully transferable

FOR MORE INFORMATION, VISIT YOUR LOCAL KUBOTA DEALER OR CALL 888-398-9782

KUBOTA CREDIT CORPORATION, U.S.A.

Since 1982, Kubota has extended a wide range of financing alternatives to customers through Kubota Credit Corporations, U.S.A. (KCC). KCC offers competitive interest rates, flexible down payments, monthly and seasonal payment terms, and a Kubota-sponsored property damage insurance program. Kubota dealers can tailor a variety of finance programs² to meet the specific requirements of their customers.

FOR MORE INFORMATION, VISIT YOUR LOCAL KUBOTA DEALER OR WWW.KUBOTACREDITUSA.COM

¹ - Orange Protection is available in Florida for Commercial Customers only.

² - Subject to credit approval through Kubota Credit Corporation, U.S.A.

KUBOTA FLEET PROGRAM

Purchasing Kubota Turf Equipment is Now More Rewarding than Ever Before.

- › Kubota's Fleet program is designed for commercial customers of all sizes, making them eligible for a fleet discount with the purchase of just ONE unit.*
- › **Qualifications:** Customer must qualify as commercial user by giving one of the following:
 - › Starter Fleet: Provide a business card and a picture of a truck & trailer
 - › Official FEIN documentation, business license OR tax documentation
 - › National Hispanic Landscape Alliance (NHLA) Membership ID Card.
 - › National Association of Landscape Professionals (NALP) Starter Fleet Membership ID Card.
- › Greater discounts are available with additional equipment purchases.**
- › Kubota will also take into consideration your previous Kubota purchases in the last 365 days for all tier level qualification.**

EVER>GO LOANER

Benefits of EVER>GO Loaner Program:

Kubota understands that when a machine goes down, the work doesn't stop. As an extension of the Kubota Fleet Rewards Program, Kubota Dealers can now offer a loaner unit to Kubota Fleet customers.*

Here's How it Works:

- > If your commercial zero-turn mower requires a warranty repair and your local servicing dealer cannot repair it in within one business day, your dealer can provide you with a comparable loaner unit until your mower is ready to go. This ensures that you keep mowing and never miss a beat!

KTAC INSURANCE AGENCY

Created specifically for Kubota owners, KTAC Insurance is a Kubota-endorsed property damage insurance program providing “all risk” protection.

BENEFITS AT A GLANCE

- › Coverage against flood, wind, accidental damage, theft, fire, vandalism, and more
- › In-transit and off-property protection
- › Low \$250 deductible
- › Convenient payment options
- › Transportation reimbursement

KCC customers also receive 100% investment protection* for the first 60 months of your loan.

FOR MORE INFORMATION, CONTACT A KTAC REPRESENTATIVE AT 800-348-5802 OR VISIT WWW.KTACINSURANCEAGENCY.COM.

*This is a summary of the Kubota-Endorsed Property Damage Insurance Program. This information is descriptive only and is not intended to be a solicitation or an offer to sell any insurance product or service, nor is the information a complete description of all of the terms, conditions and exclusions applicable. Actual coverage is subject to the language of the policy issued. This policy is underwritten by Ohio Indemnity Company.

KUBOTA LEASING

In this credit-tight economy, leasing is critical to getting the Kubota equipment your business needs to grow. With the new Kubota Leasing program, commercial customers have access to flexible leasing that makes the full Kubota product line more affordable.

PROGRAM HIGHLIGHTS INCLUDE:

- › Affordable monthly payments
- › Fast, easy application process
- › Application only required up to \$150,000
- › Same-day credit decisions with complete information
 - › Transactions starting at \$3,000 and up
 - › 24-, 36-, 48- or 60-month terms
- › Flexible structures to match your cash flow and budget

Kubota Tractor Corporation reserves the right to change the stated specifications without notice. This brochure is for descriptive purposes only and reasonable efforts were used to set forth the contained information; some items shown may be optional and some products shown may not be available at all dealerships. Kubota disclaims all representations and warranties, express or implied, or any liability from the use of this brochure. For complete warranty, safety and product information, consult your local Kubota dealer and the operator's manual. Power (hp/kW) and other specifications are based on various standards or recommended practices. For your safety, Kubota strongly recommends the use of a Rollover Protective Structure (ROPS) and seat belt in almost all applications. This brochure is intended for the United States and U.S. territories only. For information regarding Kubota products or services outside these areas, see Kubota Corporation's global web site. Kubota does not provide parts, warranty or service for any Product which is re-sold or retailed in any country other than the country for which the Product(s) were designed or manufactured. Not all products are available at all dealerships.
