MODEL**

***R-model  
Z122R***

Z122R

*with the Kommander.*

***Introducing the ALL-NEW  
Kommander with 42" deck.***

**Z122R**

**Introducing the all-new Kommander Z122R with 42" deck. Maneuver in and out of intricate spaces smoothly and with ease while delivering the power you need to get the job done quickly. Like the rest of the Kommander lineup, the Z122R offers unmatched ergonomics and comfort to keep you working efficiently all day long at a powerfully affordable price.**

# COMFORT & STYLE, PLUS EASY OPERATION

There's a lot to like about Kommander. From their comfortable ergonomic design to their style and convenience, these attractive, hardworking mowers are designed to make mowing as easy as possible.

## SMOOTH OPERATION LEVERS

Dual operation levers provide the smooth, precise control you'll need for delicate trimming and work around trees and flowerbeds.

## 6"(4") SLIDE SEAT

The seat slides a full 6"(4": Z122R) forward and back, letting you find just the right position for maximum personal comfort.

## STANDARD ROPS

For safety and peace of mind, all Kommander mowers are equipped with a full-height ROPS.

## STORAGE BOXES

For your tools, lunch, and anything else too big or heavy for your pockets.

## K-LIFT (Mechanical One Push Deck Lift Pedal) (E/S model only)

The K-Lift pedal makes adjusting the cutting height simple.

**1** Push and release the pedal to raise the deck

**2** Use the dial to adjust the cutting height

**3** Push and release the pedal again to lower the deck

## COMFORT / CONVENIENCE / STYLE

### HIGH BACK SEAT

Soft and roomy, the high back seat will keep you comfortable even on those extra-long mowing jobs.

### WIDE FOOT PAN

There's plenty of legroom up front, thanks to a wide foot pan. It also makes entry and exit a snap.

### CUP HOLDERS

Keep your drink cup or tumbler always handy in the integrated cup holders.

### LED HEADLIGHTS

Standard on the S-model and option on the E/R-model, the bright LED headlight lets you continue mowing in low light conditions.

## EASY OPERATION

### 1/4" INCREMENT CUTTING HEIGHT ADJUSTMENT

A simple twist of a dial lets you adjust the cutting height in precise 1/4" increments.

### ERGONOMIC CONTROL LAYOUT

All controls and indicators are neatly placed for quick, easy, user-friendly access.

# WHEN PERFORMANCE COUNTS...

Kubota Kommander delivers. Their powerful engines, rugged transmissions and strong frames let you take on the toughest jobs with confidence and ease. They are covered under Kubota's 4year/300 hour warranty\* too!

## POWERFUL ENGINES

Power defines the Kommander's hardworking engines. Whatever the mowing job, you can count on the Kommander to deliver power when you need it.

## RUGGED TRANSMISSION

The low-maintenance, integrated design delivers outstanding power and operational efficiency to the wheels and mower deck.

**Ultrascraper Z  
Rear Tires**  
Big tires mean a softer ride.

## DEEP WELDED MOWER DECK

This 10 gauge steel, welded mower deck provides outstanding, professional-level cutting performance. If you're a homeowner who wants the best-this mower deck is for you.

**WIDE TREAD**  
Wide-tread tires provide better traction and weight distribution to help protect your lawn.

The  
**4 Year / 300 Hour**  
warranty\* covers  
powertrain too!

\*For Z122R's engine, please refer to an engine manufacturer's warranty policy. For cases beyond the engine manufacturer's warranty during the period mentioned above, please contact your authorized Kubota dealer.

\*These Kawasaki engines have been tested in accordance with SAE J1995, verified by TÜV Rheinland Group, and certified by SAE International. The gross power ratings of these engines were determined by using measurements according to SAE J1995 which were witnessed by SAE-approved witnesses from TÜV Rheinland Group. Torque ratings of these engines were not certified by SAE. Actual power and torque output will vary depending on numerous factors, including, but not limited to, the operating speed of the engine in application, environmental conditions, maintenance, and other variables.

\*\*Power (hp) specifications for individual gasoline engine models are rated pursuant to Society of Automotive Engineers (SAE) J1940 based on gross output testing performed in accordance with SAE J1995 without the air cleaner and muffler. Gross engine hp will be higher than actual engine power which is affected by accessories, application, engine speed, ambient operating conditions and other factors. The gross engine horsepower information is for comparison purposes only.

The company reserves the right to change the above specifications without notice. Please contact your local Kubota dealer for warranty information. For your safety, Kubota strongly recommends the use of a roll over protective structure (ROPS) and seatbelt in almost all applications.

## Attachment & Option Kit

- **Grass catcher**  
Easily attach or detach the grass catcher in minutes without the use of tools.

- **Mulching kit**  
Reduce yard waste and help nourish your lawn. Each mulching blade is surrounded by baffles creating more lift, cutting grass into tiny clippings that help nourish lawns.

- **LED headlights**\*1
- **Mower lift assist kit**\*2
- **Seat suspension**\*3
- **Hitch kit**\*4

\*1 E/R-models only (Standard on S-model)

\*2 E/S-models only.

\*3 E-models only (Standard on S-models)

\*4 R-model only (Standard on E/S-models).
