INTRODUCTION

Thank you for purchasing a Kubota! Kubota is the premier manufacturer of compact equipment in the world. As part of our commitment to quality and reliability, Kubota Tractor Corporation provides you comprehensive warranty coverage for your new Kubota.

Please take a few minutes to read this Warranty Information Guide. It contains all the information you will need to have your Kubota repaired in the unlikely event that a failure should occur. Please record the model, serial number, and date of purchase of each item in the space provided inside the back cover.

Note: Warranty coverage may be different for attachments or implements purchased with a tractor.

Warranty Start Date

The warranty coverage begins on the date that your Kubota product is first retailed. This is the **REGISTRATION** date, which is on file with Kubota Tractor Corporation.

What is a Limited Warranty?

Warranty is a written guarantee by the manufacturer of a product, promising to repair or replace parts which have a defect in materials or workmanship. "Limited" means that the Warranty is for a specified period of time, and has certain other restrictions.

***The Kubota Limited Warranty**

Kubota Tractor Corporation will, through its authorized dealers, repair or replace any Genuine Kubota part which is found to be defective in materials or workmanship. The defect must occur during normal use of the product and within the length of warranty coverage. The repair or replacement will be at no charge for either the part or the labor to repair or replace that part. Repairs must be completed using only Genuine Kubota parts, or parts that have been approved by Kubota.

Kubota's Right to Inspect

Kubota Tractor Corporation, or its agents, reserve the right to inspect the customer's Kubota product to determine if a defect in materials or workmanship exists prior to the commencement of any covered repair. It is the customer's responsibility to deliver the product to an authorized Kubota dealer for this inspection unless agreed to, or as required by law.

Location of Warranty Repairs

Repairs covered under the conditions of this Warranty must be performed by an authorized Kubota dealer, within the United States of America.

Applicability

This warranty applies only to machines and implements sold, serviced, and operated in the United States of America.

***Limitations**

YOUR KUBOTA LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. KUBOTA TRACTOR CORPORATION (KTC) DOES NOT AUTHORIZE ANY PERSON TO CREATE FOR KTC ANY OBLIGATION OR LIABILITY OTHER THAN THAT STATED IN THE LIMITED WARRANTY. THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO THE TERM OF THE EXPRESS WRITTEN WARRANTY. UNDER NO CIRCUMSTANCES SHALL KTC BE LIABLE TO THE CUSTOMER OR ANY OTHER PERSON FOR ANY CONSEQUENTIAL, INCIDENTAL, ECONOMIC, DIRECT, INDIRECT, GENERAL, OR SPECIAL DAMAGES ARISING OUT OF ANY BREACH OF WARRANTY, EXPRESS OR IMPLIED. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Customer Responsibility

It is the customer's responsibility to maintain the equipment in accordance with the instructions provided in the Operator's Manual. You may be asked to prove that the maintenance instructions have been followed.

It is also your responsibility to operate the equipment in a safe manner, and use it only for the purpose for which it was designed. If a defect in materials or workmanship occurs, it is your responsibility to cease operating the equipment until repairs are made. **Damage which occurs from continued operation after a failure may not be covered by this warranty.** You should contact your authorized Kubota dealer immediately so that repairs can be made in a timely manner.

What This Warranty Covers

This warranty covers defects in materials or workmanship of Genuine Kubota parts only. Certain accessories are sold by Kubota, but are covered under the manufacturer's original warranty. These include, but are not limited to: SuperWinch, REI Radio, Etc.

What This Warranty Does NOT Cover

This Warranty Does NOT Cover Failures Caused By:

- Abusive operation
- Natural calamities
- Unauthorized modifications
- Improper repairs
- Use of non-Genuine Kubota parts
- Neglected maintenance/incorrect operation (specified in Operator's Manual)
- Unapproved attachments
- Usage which is contrary to the intended purpose

***This Warranty does NOT cover replacement of Wear or Maintenance items (unless defective) including, but not limited to:**

- Clutch and brake linings
- Filters (air, fuel, oil)
- Light bulbs
- Window glass
- Lubricants, coolants, and fluids (unless used during an authorized repair)
- Belts
- Cutting blades and tines
- Bucket teeth
- Injector nozzles
- Spark plugs
- Tires and tracks

This Warranty does NOT cover:

- Pickup or delivery of the equipment*
- Rental of replacement equipment during the repair period
- Products which have been declared a total loss and subsequently salvaged
- Overtime labor charges
- Travel time or mileage (customer responsibility)*
- Service calls (customer responsibility)
- Transportation of equipment to dealer from customer's home or other location (customer responsibility)*
- Repairs performed by Non U.S. Kubota Dealers

Obtaining Warranty Services

How to Obtain Warranty Service

To obtain warranty service under the terms and conditions of the Kubota Limited Warranty, you must deliver the product to an authorized Kubota dealer, along with proof of purchase. **Kubota recommends that you take your equipment to the dealer from whom it was purchased for the warranty repair.** If that is inconvenient, it may be taken to any authorized Kubota dealer.

In those cases in which it is inconvenient to deliver the equipment to the dealer, the warranty repairs may be made by the dealer at the customer's location. **However, please note that the dealer may charge for either pickup & delivery, or for travel time and mileage. These charges are not covered under the Kubota Limited Warranty and are the customer's responsibility, unless agreed to or as required by law.**

Transferability

If you decide to sell your Kubota, any remaining warranty coverage may be transferred to the new owner. Contact your Kubota dealer for details.

Right To Make Changes

Kubota reserves the right to make any changes to a Kubota product at any time without incurring any obligation with respect to any product previously ordered, sold, or shipped.

Length of Coverage

*Length of Warranty Coverage

The length of warranty coverage is not the same for all models. Some models have a specified time period only (6 months, one year, etc.) while others have both a specified time as well as an hourmeter limitation. In the latter case, the limitation first occurring (date or hours) determines whether or not a product is within the warranty period. Models that are considered mobile equipment

(i.e. tractors) usually have two levels of warranty coverage. The **BASIC** warranty covers the entire unit, whereas the **POWERTRAIN or ENGINE** warranty covers only the driveline and/or engine components as specified on the following page.

Battery Warranty:

- The original battery supplied with the product has a 12 month, non-prorated warranty.
- Driveline and Diesel Engine included in **POWERTRAIN** Warranty.
- Diesel Engine only included in **ENGINE** Warranty.

Powertrain Components

Driveline: 4 wheel drive front axle assembly, and all gears, seals, bearing, etc., contained within, clutch housing (except clutch disc), transmission case, and rear axle housing and everything contained within, and hydraulic pumps and valves associated with driveline operation.

Does NOT include external parts such as shift cables, linkages, steering, etc.

Diesel Engine: Valve cover, cylinder head, cylinder block, oil pan, timing cover, crankshaft, flywheel housing, and the parts enclosed therein.

Does NOT include external engine components including, but not limited to: fuel, electrical, cooling, intake, oil/lubrication, and exhaust components.

Note: Some components are covered by emissions warranty. See the emissions warranty pertaining to your engine for a list of covered components.

Length of Warranty for Service Parts

Service parts are warranted for 90 days from date of purchase. However, if the part is installed on a unit which has more than 90 days remaining on the applicable warranty, the part is warranted for that remaining time. If the part was installed by an authorized Kubota dealer, the labor to replace that part is also included in the warranty coverage.

Resolving Warranty Concerns

Normally, warranty concerns can be resolved by your dealer's Service Dept. If the problem is not resolved to your satisfaction, you may want to speak with either the owner or general manager of the dealership. You may also contact the Kubota office in your region for assistance. The addresses, and the areas of coverage of each region are shown on the back cover. Before writing, please have the following information ready:

1. Your name, address, and phone
2. Model and Serial Number
3. Date of purchase
4. Hourmeter reading (or estimated hours)
5. Detailed description of the problem

KUBOTA LIMITED EMISSIONS WARRANTY

Limitations

YOUR KUBOTA LIMITED EMISSIONS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. KUBOTA TRACTOR CORPORATION (KTC) DOES NOT AUTHORIZE ANY PERSON TO CREATE FOR KTC ANY OBLIGATION OR LIABILITY OTHER THAN THAT STATED IN THE LIMITED WARRANTY. THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO THE TERM OF THE EXPRESS WRITTEN WARRANTY. UNDER NO CIRCUMSTANCES SHALL KTC BE LIABLE TO THE CUSTOMER OR ANY OTHER PERSON FOR ANY CONSEQUENTIAL, INCIDENTAL, ECONOMIC, DIRECT, INDIRECT, GENERAL, OR SPECIAL DAMAGES ARISING OUT OF ANY BREACH OF WARRANTY, EXPRESS OR IMPLIED. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Tables of Coverages

Compact and Utility Tractors

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
BX, B, LX, and L Tractors	Non-Commercial Home & Residential Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	Does not include any implement or loader/landscaper utility tractors or BX Utility combos
		Limited Powertrain	72 Months or 2000 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	
		Limited Powertrain	36 Months or 2000 Hours (whichever occurs first)	
Loader/Landscaper Utility Tractors (TLB)	All Usage	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
BX Utility Combos (BX23S, BX24, BX25)	Non-Commercial Home & Residential Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
		Limited Powertrain	72 Months or 2000 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	
MX Tractors	Non-Commercial Home & Residential Use	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
		Limited Powertrain	72 Months or 3000 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	
		Limited Powertrain	36 Months or 3000 Hours (whichever occurs first)	
M Series Tractors	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	PowerKrawler tracks – 12 months or 1000 hours (whichever occurs first).
		Limited Powertrain	36 Months or 3000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)

Large Agricultural Tractors

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
MH Series Tractors (M7)	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
		Limited Powertrain	36 Months or 3000 Hours (whichever occurs first)	
MR Series Tractors (M8)	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
		Limited Powertrain	36 Months or 3000 Hours (whichever occurs first)	

Hay Tools and Implements

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
Implements	All Usage	Basic Standard Limited	24 Months	Does not include Hay Tools (See Hay Tool warranty)
Disc Mower/Conditioners	All Usage	Basic Standard Limited	12 Months	
		Cutterbar and Gearbox	24 Months	
Hay Tools and Spreaders	All Usage	Basic Standard Limited	12 Months	

Utility Vehicle and Turf Products

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
RTV Utility Vehicles	All Usage	Basic Standard Limited	24 Months or 1000 Hours (whichever occurs first)	Does not include any implement (see implement warranty)
Z100, ZG100, Z200, and T Series Mowers	All Usage	Basic Standard Limited	48 Months or 300 Hours (whichever occurs first)	Includes mower deck Kawasaki engine warranty administered by Kawasaki. Refer to Kawasaki warranty for detail
Z400 Series Mowers	Non-Commercial Home & Residential Use	Basic Standard Limited	48 Months or 500 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months	
Z700 Series Mowers	Non-Commercial Home & Residential Use	Basic Standard Limited	48 Months or 750 Hours (whichever occurs first)	
	Commercial Use	Basic Standard Limited	24 Months	
Z, ZG, ZD, and F Series Mowers Not Otherwise Listed	All Usage	Basic Standard Limited	24 Months	Includes mower deck; Except Z100, ZG100, Z200, Z400, Z700
SZ and W Series Mowers	All Usage	Basic Standard Limited	24 Months	
G, GR Series	Non-Commercial Home & Residential Use	Basic Standard Limited	24 Months or 1500 Hours (whichever occurs first)	Includes mower deck
	Commercial Use	Basic Standard Limited	12 Months or 1500 Hours (whichever occurs first)	

Construction Equipment

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
SVL Compact Track Loaders	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Rubber Tracks 12 Months or 1000 Hours (whichever occurs first)
SCL Compact Utility Loaders	All Usage	Basic Standard Limited	12 Months or 1500 Hours (whichever occurs first)	Rubber Tracks 12 Months or 1000 Hours (whichever occurs first)
K, KX, U, and R Series	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	Rubber Tracks 12 Months or 1000 Hours (whichever occurs first)
SSV Skidsteer Loaders	All Usage	Basic Standard Limited	24 Months or 2000 Hours (whichever occurs first)	

Replacement Engine and Parts

Products Series	Usage Category	Unit/System Coverage	Coverage Period	Exclusion/Comment
Replacement Diesel Engines	All Usage	Basic Standard Limited	12 Months from date of purchase	Or the remainder of applicable warranty, whichever is longer
Replacement Parts	All Usage	Basic Standard Limited	90 Days from date of purchase	Or the remainder of applicable warranty, whichever is longer

Kubota Tractor Corporation

Federal California Emission Control Systems Limited Warranty for Non-Road Engines (Compression Ignition or CI)

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Corporation (KUBOTA) are pleased to explain the Federal and California Emission

Control System Warranty on your non-road engine. In California, new 2020 model year heavy duty off-road engines must be designed, built and equipped to meet California's stringent anti-smog standards adopted by the Air Resources Board pursuant to its authority in Chapter 1 and 2, Part 5, Division 26 of the California Health and Safety Code. In other states of the U.S.A., new non-road engines subject to the provisions of 40 CFR 1039 subpart A must be designed, built and equipped, at the time of sale, to meet the U.S. EPA regulations.

KUBOTA must warrant the emission control system on your Compression Ignition engine for the period of time listed below provided there has been no abuse, vandalism, neglect, improper maintenance or unapproved modifications to your engine.

This emission warranty is applicable in all states of the U.S.A., its territories regardless of whether an individual state, province, or territory has enacted warranty provisions that differ from the Federal warranty provisions.

Your emission control system may include parts such as the fuel injection system and the air induction system. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, KUBOTA will repair your engine at no cost to you, including diagnosis (if the diagnostic work is performed at an authorized dealer), parts and labor.

EMISSION DESIGN AND DEFECT WARRANTY COVERAGE

The emissions warranty period for the engine begins on the original date of sale to the initial purchaser and continues for each subsequent purchaser for the period mentioned below.

If any emission related part on your engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

Coverage Periods

1. For non-road, Compression Ignition engines

The emissions warranty period for all engines rated under 19kW (~25 HP) is 2000 hours of operation or two (2) years of use, whichever first occurs.

The emissions warranty period for constant speed engines rated under 37kW (50HP) with rated speeds greater than or equal to 3000 rpm is 2000 hours of operation or two (2) years of use, whichever occurs first.

The emissions warranty period for all other engines not already listed is 3000 hours of operation or five (5) years of use, whichever first occurs.

If any emission related part on your engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

OWNER'S WARRANTY RESPONSIBILITIES

- As the engine owner, you are responsible for the performance of the required maintenance listed in your KUBOTA operator's manual. KUBOTA recommends that you retain all receipts covering maintenance on your engine, but KUBOTA cannot deny a warranty claim solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.
- As the engine owner, you should be aware, however, that KUBOTA may deny your warranty coverage if your engine or a part has failed due to abuse, vandalism, neglect, improper maintenance or unapproved modifications.
- Your engine is designed to operate on Ultra Low Sulfur Diesel Fuel only. Use of any other fuel may result in your engine no longer operating in compliance with Federal or California's emissions requirements. For specific information on the use of BioDiesel, visit www.kubota.com.
- You are responsible for presenting your engine to the nearest dealer or service station authorized by KUBOTA when a problem exists (unless agreed, or as required by law). The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.
- If you have any questions regarding your warranty rights and responsibilities or the location of the nearest authorized dealer or distributor, you should contact:

Kubota Tractor Corporation

National Service Department at 1-800-558-2682, KubotaEmissionsWarranty@kubota.com

DEFECTS WARRANTY COVERAGE

KUBOTA warrants to the initial purchaser and each subsequent purchaser that your engine will be designed, built and equipped, at the time of sale, to meet all applicable regulations. KUBOTA also warrants to the initial purchaser and each subsequent purchaser that your engine shall be free from defects in materials and workmanship which cause the engine to fail to conform to applicable regulations for the period mentioned above from the original date of sale.

KUBOTA shall remedy warranty defects at any authorized KUBOTA engine dealer or warranty station. Any authorized work done at an authorized dealer or warranty station shall be free of charge to the owner if such work determines that a warranted part is defective. Any KUBOTA approved or equivalent replacement part (including any KUBOTA approved aftermarket part) may be used for any warranty maintenance or repairs on emission related parts, and must be provided free of charge to the owner if the part is still under warranty.

KUBOTA is liable for damages to other engine components caused by the failure of a warranted part still under warranty. The use of replacement parts not equivalent to the original parts may impair the effectiveness of your engine emission control system. If such a replacement part is used in the repair or maintenance of your engine, and KUBOTA determines it is defective or causes a failure of a warranted part, your claim for repair of your engine may be denied.

Listed below are the parts covered by the Federal and California Emission Control Systems Warranty. Some parts listed below may require scheduled maintenance and are warranted up to the first scheduled replacement point for that part. The warranted parts are (if applicable):

1) Air-Induction System

- a) Intake Manifold
- b) Turbocharger System
- c) Charge Air Cooling System (Intercooler)

2) Catalyst or Thermal Reactor System

- a) Catalytic converter
- b) Exhaust manifold

3) Fuel Injection System

- a) Fuel Supply Pump (Common Rail System)
- b) Injector
- c) Injection Pipe
- d) Common Rail
- e) Smoke Puff Limiter
- f) Speed Timer
- g) Cold Advance Timer
- h) Injection Pump

4) Electronic Control System

- a) ECU
- b) Engine Speed / Timing Sensor
- c) Accelerator Position Sensor
- d) Coolant Temperature Sensor
- e) Atmospheric Pressure Sensor
- f) Intake Pressure Sensor
- g) Intake Manifold Temperature Sensor
- h) Intake Air Flow Sensor
- i) Common Rail Pressure Sensor

5) Exhaust Gas Recirculation System

- a) EGR Valve
- b) EGR Cooler
- c) EGR Valve Opening Rate Sensor

6) Particulate Controls

- a) Any device used to capture particulate emissions.
- b) Any device used in the regeneration of the particulate control device. Control Device Enclosures and Manifolding
- c) Diesel Particulate Filter Temperature Sensor
- d) Differential Pressure Sensor

7) Advanced Oxides of Nitrogen (NOx) Controls

- e) Selective Catalytic Reduction (SCR) Catalyst
- f) Reductant (urea) Containers
- g) Dispensing Systems
- h) NOx Sensor
- i) SCR Temperature Sensor
- j) Any Sensor for Diesel Exhaust Fluid

8) Miscellaneous Items used in above systems

- a) Closed Breather System
- b) Hoses*, Clamps*, Fittings, Tubing*
- c) Gaskets*, Seals*
- d) Kubota supplied engine Wiring Harnesses*
- e) Kubota supplied engine Elec. Connectors*
- f) Air Cleaner Element*, Fuel Filter Element*
- g) Emission Control Information Labels

*Warranty period is equivalent to manufacturer's recommended first replacement interval as stated in the applicable model's operator's manual and/or service (workshop) manual. Where a warrantable condition exists, KUBOTA will repair your engine at no cost to you, including diagnosis, parts and labor.

**Large Spark Ignition Above 1 Liter
Kubota Tractor Corporation
Federal & California Emission Control Systems Limited Warranty for
Federal Large Non-Road Spark Ignition and
California Off-Road Large Spark Ignition Engines (LSI)**

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Tractor Corporation (Kubota) are pleased to explain the Federal and California Emission Control System Warranty on your engine. In California, new Off-Road Large SI (Spark-Ignition) engines produced in 2020 model year must be designed, built and equipped to meet the California's stringent anti-smog standards. In other states, 2012 and later model year SI engines must be designed, built and equipped, to meet the U.S. EPA regulations for Large Non-Road SI engines. KUBOTA must warrant the emission control system on your Off-Road Large SI engine for the period of time listed below provided there has been no abuse, neglect, or improper maintenance to your engine.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, and catalytic converter. Also included may be hoses, belts, connectors and other emission-related assemblies.

DEFECTS WARRANTY COVERAGE

The emissions warranty period for the engine begins on the date the engine or equipment is delivered to an initial purchaser. KUBOTA warrants to the initial purchaser and each subsequent purchaser that your engine shall be:

- I. Designed, built and equipped so as to conform with all applicable regulations adopted by the Air Resources Board pursuant to its authority in Chapters 1 and 2, Part 5, Division 26 of the Health and Safety Code.
- II. Free from defects in materials and workmanship that cause the failure of a warranted part for 2500 hours of operation or three (3) years of use, whichever first occurs for emissions-related parts, and for 3500 hours of operation or five (5) years of use, whichever first occurs for high-priced emission-related parts. For evaporative emission related parts, the 2020 Non Road Large SI engines are warranted for two (2) years.

The warranty on emissions-related parts will be interpreted as follows:

1. Any warranted part that is not scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the warranty period as defined above in (II). If any such part fails during the period of warranty coverage, it must be repaired or replaced by KUBOTA according to Subsection (4) below. Any such part repaired or replaced under the warranty must be warranted for the remaining warranty period.
2. Any warranted part that is scheduled only for regular inspection in the written instructions specified below must be warranted for the warranty period defined as above in (II). A statement in such

written instructions to the effect of “repair or replace as necessary” will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for the remaining warranty period.

3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by KUBOTA according to Subsection (4) below. Any such part repaired or replaced under warranty must be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
4. Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the owner at a warranty station.
5. Notwithstanding the provisions of Subsection (4) above, warranty services or repairs must be provided at all KUBOTA distribution centers that are authorized to service the subject engines.
6. The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.
7. KUBOTA is liable for damages to other engine components proximately caused by a failure under warranty of any warranted part.
8. Throughout the engine’s warranty period defined as above in (II), KUBOTA must maintain a supply of warranted parts sufficient to meet the expected demand for such parts.
9. Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of KUBOTA.
10. Add-on or modified parts that are not exempted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts will be grounds for disallowing a warranty claim made in accordance with this article. KUBOTA will not be liable under this article to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

EMISSIONS-RELATED PARTS LIST

KUBOTA must include a copy of the following emission warranty parts list with each new engine. Listed below are the parts covered by the Federal and California Emission Control Systems Warranty.

1) Fuel Metering System

- a) Fuel injection system
- b) Air/fuel ratio feedback and control system.
- c) Carburetor system (internal parts and/or pressure regulator** or fuel mixer or injection system)

2) Air Induction System

- a) Intake manifold or air intake system
- b) Air mass sensor assembly
- c) Air cleaner element*

3) Catalyst or Thermal Reactor System

- a) Catalytic converter**
- b) Thermal reactor
- c) Exhaust manifold

4) Positive Crankcase Ventilation (PCV) System

- a) PCV Valve
- b) Oil Filler Cap

5) Ignition Control System

- a) Engine Control Module (ECM)**
- b) Ignition module(s)

6) Miscellaneous Items Used in Above Systems

- a) Vacuum, temperature, and time sensitive valves and switches
- b) Sensors used for electronic controls
- c) Hoses, belts, connectors, assemblies, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware
- d) Pulleys, belts and idlers

7) Evaporative System

- a) Fuel tank
- b) Fuel cap
- c) Fuel line
- d) Fuel line fittings
- e) Clamps (if equipped)
- f) Pressure relief valves (if equipped)
- g) Control valves (if equipped)
- h) Control solenoids (if equipped)
- i) Electronic controls (if equipped)
- j) Vacuum control diaphragms (if equipped)
- k) Control cables (if equipped)
- l) Control linkages (if equipped)
- m) Purge valves (if equipped)
- n) Vapor hoses (if equipped)
- o) Liquid / Vapor separator (if equipped)
- p) Canister (if equipped)
- q) Canister mounting bracket (if equipped)
- r) Carburetor purge port bracket (if equipped)
- s) Fuel pressure Manifold (if equipped)
- t) Fuel pressure Regulator (if equipped)

*Warranty period is equivalent to KUBOTA's recommended first replacement interval as stated in the applicable model's operator's manual and/or service (workshop) manual.

** High-priced emissions-related warranty parts.

**Large Spark Ignition Less Than 1 Liter
Kubota Tractor Corporation
Federal & California Emission Control Systems Limited Warranty for
Federal Non-Road Spark Ignition Engines and
California Off-Road Large Spark Ignition Engines (LSI)**

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Tractor Corporation are pleased to explain the Federal and California Emission Control System Warranty on your engine. In California, new Off-Road Large SI (Spark-Ignition) engines produced in 2020 model year must be designed, built and equipped to meet the California's stringent anti-smog standards. In other states, 1997 and later model year SI engines must be designed, built and equipped, to meet the U.S. EPA regulations for Small Off-Road engines. KUBOTA must warrant the emission control system on your Off-Road Large SI engine for the period of time listed below provided there has been no abuse, neglect, or improper maintenance to your equipment leading to the failure of the emission control system. This emission warranty is applicable in all states of the U.S.A.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, and catalytic converter. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, KUBOTA will repair your engine at no cost to you, including diagnosis, parts, and labor.

MANUFACTURER'S WARRANTY COVERAGE

For emissions-related parts, the 2020 Off-Road Large SI engines are warranted for two (2) years.

For evaporative emission related parts, the 2020 Non Road Large SI engines are warranted for two (2) years. (See list below)

If any emission related part on your engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

OWNER'S WARRANTY RESPONSIBILITIES

- A. As the off-road LSI engine owner, you are responsible for the performance of the required maintenance listed in your KUBOTA operator's manual. KUBOTA recommends that you retain all receipts covering maintenance on your off-road engine, but KUBOTA cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.
- B. As the off-road engine owner, you should be aware, however, that KUBOTA may deny your warranty coverage if your engine or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

- C. Your engine is designed to operate on fuel as specified in the operator's manual. Use of any other fuel may result in your engine no longer operating in compliance with Federal or California's emissions requirements.
- D. You are responsible for presenting your engine to the nearest dealer or service station authorized by KUBOTA when a problem exists (unless agreed, or as required by law). The warranty repairs shall be completed in a reasonable amount of time, not to exceed 30 days.
- E. If you have any questions regarding your warranty rights and responsibilities, you should contact:

KUBOTA TRACTOR CORPORATION
National Service Department at 1-800-558-2682
KubotaEmissionsWarranty@kubota.com

DEFECTS WARRANTY COVERAGE

The emissions warranty period for the engine begins on the date the engine or equipment is delivered to an initial purchaser. KUBOTA warrants to the initial purchaser and each subsequent purchaser that your engine shall be:

- I. Designed, built and equipped so as to conform with all applicable regulations adopted by the Air Resources Board pursuant to its authority in Chapters 1 and 2, Part 5, Division 26 of the Health and Safety Code.
- II. Free from defects in materials and workmanship that cause the failure of a warranted part for a period of two years.

The warranty on emissions-related parts will be interpreted as follows:

1. Any warranted part that is not scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the warranty period as defined above in (II). If any such part fails during the period of warranty coverage, it must be repaired or replaced by the engine manufacturer according to Subsection (4) below. Any such part repaired or replaced under the warranty must be warranted for the remaining warranty period.
2. Any warranted part that is scheduled only for regular inspection in the written instructions specified below must be warranted for the warranty period defined as above in (II). A statement in such written instructions to the effect of "repair or replace as necessary" shall advise owners of the warranty coverage for all evaporative emissions related parts. Replacement within the warranty period is covered by the warranty and will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for the remaining warranty period.
3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by KUBOTA according to Subsection (4) below. Any such part repaired or replaced under warranty must be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
4. Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the owner at warranty station.
5. Notwithstanding the provisions of Subsection (4) above, warranty services or repairs must be provided at all KUBOTA distribution centers that are authorized to service the subject engines.

6. The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.
7. KUBOTA is liable for damages to other engine components proximately caused by a failure under warranty of any warranted part.
8. Throughout the engine's warranty period defined as above in (II), KUBOTA must maintain a supply of warranted parts sufficient to meet the expected demand for such parts and must obtain additional parts if the supply is exhausted.
9. Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of KUBOTA.
10. Add-on or modified parts that are not exempted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts will be grounds for disallowing a warranty claim made in accordance with this article. The KUBOTA will not be liable under this article to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

PARTS LIST

KUBOTA must include a copy of the following emission warranty parts list with each new engine. Listed below are the parts covered by the Federal and California Emission Control Systems Warranty.

1) Fuel Metering System

- a) Fuel injection system
- b) Air/fuel ratio feedback and control system
- c) Carburetor system (internal parts and/or pressure regulator or fuel mixer or injection system)

2) Air Induction System

- a) Intake manifold or air intake system
- b) Air mass sensor assembly
- c) Air cleaner element*

3) Catalyst or Thermal Reactor System

- a) Catalytic converter
- b) Thermal reactor
- c) Exhaust manifold

4) Positive Crankcase Ventilation (PCV) System

- a) PCV Valve
- b) Oil Filler Cap

5) Ignition Control System

- a) Engine Control Module (ECM)
- b) Ignition module(s)

6) Miscellaneous Items Used in Above Systems

- a) Vacuum, temperature, and time sensitive valves and switches
- b) Sensors used for electronic controls
- c) Hoses, belts, connectors, assemblies, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware

d) Pulleys, belts and idlers

7) Evaporative System

- a) Fuel tank
- b) Fuel cap
- c) Fuel line
- d) Fuel line fittings
- e) Clamps (if equipped)
- f) Pressure relief valves (if equipped)
- g) Control valves (if equipped)
- h) Control solenoids (if equipped)
- i) Electronic controls (if equipped)
- j) Vacuum control diaphragms (if equipped)
- k) Control cables (if equipped)
- l) Control linkages (if equipped)
- m) Purge valves (if equipped)
- n) Vapor hoses (if equipped)
- o) Liquid / Vapor separator (if equipped)
- p) Canister (if equipped)
- q) Canister mounting bracket (if equipped)
- r) Carburetor purge port bracket (if equipped)
- s) Fuel pressure Manifold (if equipped)
- t) Fuel pressure Regulator (if equipped)

*Warranty period is equivalent to manufacturer's recommended first replacement interval as stated in the applicable model's operator's manual and/or service (workshop) manual.

Kubota Tractor Corporation

Federal & California Emission Control Systems

Limited Warranty for Small Off-Road Engines (SORE)

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Corporation are pleased to explain the Federal and California Emission Control System Warranty on your 2020 Model Year Small Off-Road engine. In California, new Small Off-Road engines must be designed, built and equipped to meet the California's stringent anti-smog standards. In other states, 1997 and later model year SI engines must be designed, built and equipped, to meet the U.S. EPA regulations for Small Off-Road engines. KUBOTA must warrant the emission control system on your Small Off-Road engine for the period of time listed below provided there has been no abuse, neglect or improper maintenance to your equipment leading to the failure of the emission control system. This emission warranty is applicable in all states of the U.S.A.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, and catalytic converter. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, KUBOTA will repair your engine at no cost to you, including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE

For emissions-related parts, the 2020 model year small off-road engines are warranted for the following periods:

Kawasaki, Kohler: 3 years

Briggs & Stratton, Kubota: 2 years

For evaporative emission related parts (see list below), the 2020 small off-road engines are warranted for the following periods:

Kawasaki, Kohler: 3 years

Briggs & Stratton, Kubota: 2Years

If any emission related part on your small off-road engine is defective, the part will be repaired or replaced by KUBOTA free of charge.

OWNER'S WARRANTY RESPONSIBILITIES

- A. As the small off-road engine owner, you are responsible for the performance of the required maintenance listed in your KUBOTA operator's manual. KUBOTA recommends that you retain all

receipts covering maintenance on your engine, but KUBOTA cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

- B. As the small off-road engine owner, you should be aware, however, that KUBOTA may deny your warranty coverage if your engine or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.
- C. Your engine is designed to operate on fuel as specified in the operator's manual. Use of any other fuel may result in your engine no longer operating in compliance with Federal or California's emissions requirements.
- D. You are responsible for presenting your engine to the nearest dealer or service station authorized by KUBOTA when a problem exists (unless agreed, or as required by law). The warranty repairs shall be completed in a reasonable amount of time, not to exceed 30 days.
- E. If you have any questions regarding your warranty rights and responsibilities, you should contact:

KUBOTA TRACTOR CORPORATION
National Service Department at 1-800-558-2682
KubotaEmissionsWarranty@kubota.com

DEFECTS WARRANTY COVERAGE

The emissions warranty period for the engine begins on the date the engine or equipment is delivered to an initial purchaser. KUBOTA warrants to the initial purchaser and each subsequent purchaser that your engine shall be:

- I. Designed, built and equipped so as to conform with all applicable regulations adopted by the Air Resources Board pursuant to its authority in Chapters 1 and 2, Part 5, Division 26 of the Health and Safety Code.
- II. Free from defects in materials and workmanship that cause the failure of a warranted part for a period of two years.

The warranty on emissions related parts will be interpreted as follows:

- 1. Any warranted part that is not scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the warranty period as defined above in (II). If any such part fails during the period of warranty coverage, it must be repaired or replaced by the engine manufacturer according to Subsection (4) below. Any such part repaired or replaced under the warranty must be warranted for the remaining warranty period.
- 2. Any warranted part that is scheduled only for regular inspection in the written instructions specified below must be warranted for the warranty period defined as above in (II). A statement in such written instructions to the effect of "repair or replace as necessary" shall advise owners of the warranty coverage for the evaporative emissions related parts. Replacement within the warranty period is covered by the warranty and will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for the remaining warranty period.
- 3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by KUBOTA according to Subsection (4) below. Any such part repaired

or replaced under warranty must be warranted for the remainder of the period prior to the first scheduled replacement point for the part.

4. Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the owner at a warranty station.
5. Notwithstanding the provisions of Subsection above, warranty services or repairs must be provided at KUBOTA distribution centers that are authorized to service the subject engines.
6. The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.
7. The KUBOTA is liable for damages to other engine components proximately caused by a failure under warranty of any warranted part.
8. Throughout the engine's warranty period defined as above in (II), the KUBOTA must maintain a supply of warranted parts sufficient to meet the expected demand for such parts and must obtain additional parts if that supply is exhausted.
9. Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of the KUBOTA.
10. Add-on or modified parts that are not ex-empted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts will be grounds for disallowing a warranty claim made in accordance with this article. KUBOTA will not be liable under this article to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

EMISSION-RELATED PARTS LIST

KUBOTA must include a copy of the following emission warranty parts list with each new engine. Listed below are the parts covered by the Federal and California Emission Control Systems Warranty. Some parts listed below may require scheduled maintenance and are warranted up to the first scheduled replacement point for that part. The warranted parts are (if applicable):

For Exhaust emission, emission-related components include any engine parts related to the following systems:

- 1) Air-induction system
- 2) Fuel system
- 3) Ignition system
- 4) Exhaust gas recirculation systems

1) Fuel Metering System

- a) Fuel injection system
- b) Air/fuel ratio feedback and control system
- c) Carburetor system (internal parts and/or pressure regulator or fuel mixer or injection system)

2) Air Induction System

- a) Intake manifold or air intake system
- b) Air mass sensor assembly
- c) Air cleaner element*

3) Catalyst or Thermal Reactor System

- a) Catalytic converter
- b) Thermal reactor
- c) Exhaust manifold

4) Positive Crankcase Ventilation (PCV) System

- a) PCV Valve
- b) Oil Filler Cap

5) Ignition Control System

- a) Engine Control Module (ECM)
- b) Ignition module(s)

6) Miscellaneous Items Used in Above Systems

- a) Vacuum, temperature, and time sensitive valves and switches
- b) Sensors used for electronic controls
- c) Hoses, belts, connectors, assemblies, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware
- d) Pulleys, belts and idlers

7) Evaporative System

- a) Fuel tank
- b) Fuel cap
- c) Fuel line
- d) Fuel line fittings
- e) Clamps (if equipped)
- f) Pressure relief valves (if equipped)
- g) Control valves (if equipped)
- h) Control solenoids (if equipped)
- i) Electronic controls (if equipped)
- j) Vacuum control diaphragms (if equipped)
- k) Control cables (if equipped)
- l) Control linkages (if equipped)
- m) Purge valves (if equipped)
- n) Vapor hoses (if equipped)
- o) Liquid / Vapor separator (if equipped)
- p) Canister (if equipped)
- q) Canister mounting bracket (if equipped)
- r) Carburetor purge port bracket (if equipped)
- s) Fuel pressure Manifold (if equipped)
- t) Fuel pressure Regulator (if equipped)
- u) Fuel drain valve (if equipped)

*Warranty period is equivalent to manufacturer's recommended first replacement interval as stated in the applicable model's operator's manual and/or service (workshop) manual.

KUBOTA TRACTOR CORPORATION FEDERAL & CALIFORNIA EMISSION CONTROL SYSTEMS LIMITED WARRANTY FOR OFF-ROAD UTILITY VEHICLES

YOUR WARRANTY RIGHTS AND OBLIGATIONS

The U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and KUBOTA Corporation are pleased to explain the Federal and California Emission Control System Warranty on your 2020 model year off-road utility vehicles. Off-highway recreational vehicles produced in 2020 model year must be designed, built and equipped to conform at the time of sale to the ultimate purchaser with all applicable laws, rules and regulations of the U.S. Environmental Protection Agency (EPA) pursuant to 40 CFR Section 1051 et seq. and/or California Air Resources Board (CARB) pursuant to Title 13, California Code of Regulations (13 CCR) Sections 2400 et seq. KUBOTA must warrant the emission control system for off-road utility vehicles for the periods of time listed below provided there has been no abuse, neglect, improper maintenance, or unapproved modification to your vehicle.

This emission warranty is applicable in all states of the U.S.A and all provinces and territories of CANADA.

Your exhaust and evaporative emission control system may include parts such as an ECU, the fuel injection system, the ignition system, catalytic converter, fuel tanks, fuel lines or hoses, fuel caps, valves, canisters, filters, hoses, clamps, connectors and other associated components. Also included may be belts and other emission-related assemblies.

Where a warrantable condition exists, KUBOTA will repair your off-road utility vehicle or emission-related component at no cost to you, including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE

You will not be charged for diagnosis, repair, replacement, or adjustment of parts containing an emission-related defect during the applicable warranty period. The applicable warranty periods are:

- 1) The exhaust emissions defect warranty period for both Federal and California 2020 model year vehicles is 5,000 km (~3,000 miles), or 500 hours of engine operation, or 30 months, whichever comes first (see "PARTS LIST" below)
- 2) The evaporative emissions defect warranty period for Federal 2020 model year vehicles is two (2) years
- 3) The evaporative emissions defect warranty periods for California 2020 model year vehicles are:
 - a) Emission-related parts: 2,500 miles (~4,000 km), or 250 hours of engine operation, or 30 months or whichever comes first
 - b) "High priced" emission-related parts: 5,000 miles (~8,000 km), or 500 hours of engine operation, or 60 months, whichever comes first.

Please refer to the following "PARTS LIST" for a complete list of emission-related parts covered by these warranties.

OWNER'S WARRANTY RESPONSIBILITIES

- 1) As the vehicle owner you are responsible for the performance of the required maintenance listed in your KUBOTA operator's manual. KUBOTA recommends that you retain all receipts covering maintenance on your vehicle, but KUBOTA cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.
- 2) As the vehicle owner, you should also be aware that KUBOTA may deny your warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.
- 3) Your vehicle is designed to operate on fuel as specified in the operator's manual. Use of any other fuel may result in your engine no longer operating in compliance with Federal or California's emissions requirements.
- 4) You are responsible for presenting your vehicle to a Kubota dealer or service station as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.
- 5) If you have any questions regarding your warranty rights and responsibilities, you should contact:

KUBOTA TRACTOR CORPORATION
National Service Department at 1-800-558-2682
KubotaEmissionsWarranty@kubota.com

KUBOTA CANADA LTD at (905) 294-7477

The Environmental Protection Agency
2000 Traverwood Drive
Ann Arbor, MI. 48105.

DEFECTS WARRANTY COVERAGE

The emissions warranty period for the vehicle begins on the date the vehicle is delivered to an ultimate purchaser. KUBOTA warrants to the ultimate purchaser and each subsequent purchaser that your vehicle shall be:

- I. Designed, built and equipped so as to conform with all applicable regulations.
- II. Free from defects in materials and workmanship that may keep it from meeting these requirements for the period set forth above.

The warranty on emissions-related parts will be interpreted as follows:

- 1) Any warranted part that is not scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the warranty period as defined above in (II). If any such part fails during the period of warranty coverage, it must be repaired or replaced by the manufacturer according to Subsection (4) below. Any such part repaired or replaced under the warranty must be warranted for the remaining warranty period.

- 2) Any warranted part that is scheduled only for regular inspection in the written instructions specified below must be warranted for the warranty period defined as above in (II). A statement in such written instructions to the effect of "repair or replace as necessary" will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for the remaining warranty period.
- 3) Any warranted part that is scheduled for replacement as required maintenance in the written instructions specified below must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by the manufacturer according to Subsection below. Any such part repaired or replaced under warranty must be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
- 4) Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the owner at a warranty station.
- 5) Notwithstanding the provisions of Subsection (4) above, warranty services or repairs must be provided at all manufacturer distribution centers that are franchised to service the subject.
- 6) The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.
- 7) The manufacturer is liable for damages to other components proximately caused by a failure under warranty of any warranted part.
- 8) Throughout the warranty period defined as above in (II), the manufacturer must maintain a supply of warranted parts sufficient to meet the expected demand for such parts.
- 9) Manufacturer approved replacement parts must be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of the manufacturer. (10) Add-on or modified parts that are not exempted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts will be grounds for disallowing a warranty claim made in accordance with this article. The manufacturer will not be liable under this article to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

PARTS LIST

Listed below are the parts covered by the Federal and California Emission Control Systems Warranty.

1) Fuel Metering System

- a) Fuel injection system
- b) Air/fuel ratio of feedback and control system

2) Air induction System

- a) Intake manifold or air intake system
- b) Air mass sensor assembly
- c) Air cleaner element

3) Catalyst Thermal Reactor System

- a) Three way Catalytic Converter
- b) Thermal Reactor
- c) Exhaust manifold

4) Positive Crankcase Ventilation (PCV) System

- a) PCV Valve
- b) Oil Filler Cap

5) Ignition Control System

- a) Engine Control Unit (ECU)
- b) Ignition Module(s)

6) Miscellaneous Items Used in Above Systems

- a) Vacuum, temperature, and time sensitive valves and switches
- b) Sensors used for electronic controls
- c) Hoses, belts, connectors, assemblies, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware.
- d) Pulleys, belts and idlers.

Listed below are the evaporative emission-related parts covered by Federal and California Emission Control Systems Warranties. If any evaporative emission-related part on your off-road utility vehicles is defective, the part will be repaired or replaced by Kubota:

For Federal models outside of California - two (2) years

For California models in California - 30 months, 2,500 miles (~4,000 km), or 250 hours of operation, whichever comes first.

- Fuel tank (Federal warranty applies)
- Fuel cap
- Fuel line
- Fuel fittings
- Fuel couplers
- Clamps
- Vapor hoses
- Control (2-way) valve
- Purge valve (California model only)
- Carbon canister (California model only)

Listed below are “High-priced” evaporative emission-related parts. For California models in California - 60 months, 5000 miles (~8,000 km), or 500 hours of engine operation, whichever comes first.

- Fuel tank
- Carbon canister

NOTE: FEDERAL AND CALIFORNIA EMISSION CONTROL SYSTEMS WARRANTY STATEMENT is based on the following regulations:

- 40 CFR §1051.120 (e), Title 13 CCR §2419.2
 - “Off-Highway Recreational Vehicles (OHRVs)” include off-highway motorcycles, all-terrain vehicles, offroad sports vehicles, off-road utility vehicles, sand cars and golf carts as defined in Title 13 CCR §2411.(a)
